

LETTER OF INTENT

We at 'Trusted Shipping Limited', are pleased to state our intentions for using Cargo Coin, as a medium & electronic mode for our maritime business & trade contracts, as well as a crypto currency platform, receiving and making payments towards considerations between parties in a contract.

With the changing dynamics in way we conduct our business, we expect that Cargo Coin, can be utilised as an advantage to its customers.

We look forward to the development of Cargo Coin as a globally recognised medium for facilitation of business contracts and payments through electronic mode, in a manner which is inexpensive, quick and confidential.

We would like to express our gratitude to Cargo Coin for their efforts in revolutionising global trade and transport by decentralisation, through the use of block chain technology, smart contracts and other advantageous features of Cargo Coin.
